## **IMPORTANT NOTICE**

At the July 12<sup>th</sup> Board meeting, the Arizona Board of Behavioral Health Examiners (“Board”) voted to delegate authority to approve licenses to the Board’s Executive Director pursuant to A.R.S. § 32-3123 which became effective August 27, 2019.

Beginning with the September 13, 2019 Board meeting, licenses will no longer be reviewed on the Board’s agenda. The Board will be provided a list of all licenses approved by the Executive Director prior to the meeting, however no action will be required.

This change will help to expedite license issuance as licenses will be printed every other Thursday rather than monthly following the Board meeting. To verify recently issued licenses, go to the Verifications tab on the Board’s website and search by Last Name.
